Dahabshiil Company

Dear Hiring Manager,

As an accomplished and seasoned professional, I was compelled to contact you with my interest in the Database Administrator opportunity with Dahabshiil Company. I bring an extensive background of success in this field, along with the qualifications which are required to make a positive impact in this role.

I offer a combination of unique skills and competencies which I have developed through a lengthy and rewarding career. I have honed Microsoft SQL and database development skills while being proficient in collaboration. In previous roles, I have contributed to organizational improvements, collaborative team efforts and attainment of key business targets.

As my attached resume indicates, I offer the problem-solving, planning and database administration capabilities that you require in a new Database Administrator. I am eager to discuss the possibility of joining Dahabshiil Company's team. Please feel free to contact me for additional career details and qualifications.

I look forward to discussing the [Database Administrator] position and my qualifications with you in more detail. I'm available to talk at your soonest convenience. I'll be in touch next week to follow up, just to make sure you've received my application.

Thank you so much for your time and consideration.

Sincerely,

Khalid Abdi Guleid
